EXPERIENCE

Operations Manager

Honeywell Aerospace Jan 2015 – Present

Motivation of the work force is key in the role. I have a knack for understanding the motivators in different individuals.

- Managed the efforts of 25 direct reports in respect to delivery goals, turn around time, reduction of flow blockers, and conflict resolution
- Led 20+ process improvement projects resulting in reduction of turn time deliveries by 20% over five months
- Reduced errors to quality and customer requirements by approx. 15% over 12 months

ISC Leadership Development Rotational

Honeywell Aerospace Jan 2013 – Jan 2015

▪ *Data Analytics* – Analyzed data on companywide past due orders, worked solutions to ship high dollar orders, and provided data packages to top leadership

▪ *Materials Planning* – Facilitated the bridge between needs on the production floor and global buyers. Used SAP to coordinate material from hundreds of suppliers to arrive on time and at the right place for production.

▪ *Project Manager* – Led 11 cross functional team projects in regards to supplier transitions and repositions. Developed an innovative communication strategy for suppliers to integrate with business processes and policies

▪ *Production Control* – Controlled to quantity and flow of material to the production floor. Created a planning tool (in use today) that calculated demonstrated capacity in order to best predict release quantities

Venture Capital Junior Analyst

Wasatch Venture Fund Aug 2011 – Jan 2012

- Managed two teams of undergraduate student consultants to perform due diligence on two consultation projects.
- Performed detailed market analysis on current marketing techniques to provide constructive recommendations.
- Strategized with a team to develop an asset mapping database containing innovative agricultural research.

Student Body President

BYU-Idaho Mar2010 – Sept 2010

- Organized a successful campaign of 50 members through new and innovative campaign methods.
- Improved existing practices of the organization by increasing student involvement with administration by 60%.
- Eliminated organizational waste through a “work out” in order to cut down bureaucracy and communication barriers.

Full-Time Volunteer Missionary – Assistant to the President

LDS Church – Fresno, CA Feb 2006 – Feb 2008

- Worked directly with the president for six months to coordinate efforts of 140 representatives in 26 cities.
- Directed all training and motivation efforts of top leadership.
- Analyzed weekly indicators and implemented strategies to increase productivity by 15% over five months.
